Pinkham's Vegetable Compound restored me to health and it shall always have my praise."

Gardiner, Me.—"I was a great sufferer from a female disease. The doctor said I would have to go to the hospital for an operation, but Lydia E. Pinkham's Vegetable Compound completely cured me in three months."

—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner Me.
Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, indigestion, dizziness, and nervous prostration. It costs but a trifle to try it, and the result is worth millions to many suffering women.

Army and Navy News**FIELD OFFICERS PREPARE FOR PHYSICAL TEST**

Field officers of the army, both of the staff and line, are getting into trim for the annual riding or walking test which will come off in December under the direction of Colonel Walter Schuyler, Fifth Cavalry, senior officer in the Hawaiian Islands. Major Foster of the Fifth Cavalry, who has been away on leave of absence, is expected back on the December transport about December 12 or 13, and the test will be undertaken within a few days of that time. The officers have generally elected to take the riding, rather than the walking test, and almost any evening several of them may be seen cantering along the valley roads. It is likely also that Major Long of the Marine Corps, and Doctor Langhorne, Surgeon, U. S. Navy, will join the army cavalcade. The trip will be around the island via the Paia, and camp equipment will be carried so that at least two nights may be spent in the open air.

In accordance with an order for physical examination of officers under the grade of major, most of the local officers here have complied with the order. Colonel Harris, chief medical officer of the department who arrived here recently to make an inspection of hospitals and hospital service connected with the various army posts, inspected the Fort Shafter hospital yesterday. He was accompanied by Major Wadhams, senior medical officer in Honolulu.

Army Board Met.

The army board which was recently convened for the purpose of computing the land areas of the Leilehua reservation occupied respectively by the army and by the Leilehua ranch lessees, met yesterday.

Delays and Changes in Battleships.

It has been decided to change the propellers on the battleships Louisiana and Virginia from turning to out-turning screws. This work will occupy so much time that in all probability some changes will be necessitated in the plans for fleet maneuvers off Guantanamo during the winter. The ships are at the Norfolk yard, and it is believed that under rush conditions the work can be completed in six to eight weeks. The battleship New Hampshire may possibly be late in joining the fleet, as she is to have a new woven wire fire-control mast installed. For the present this will be the last mast of the kind to be placed on any of the battleships.
